

Ali Hosseini

March 21, 1953 - December 29, 2025

Ali Hosseini, age 72, passed away on December 29, 2025. He was born on March 21, 1953, and lived a life defined by love, generosity, and deep devotion to family.

Ali was a devoted family man whose kindness, warmth, and sense of humor left a lasting impression on everyone he met. He had a special way of making people feel at ease, whether through a welcoming smile, a well-timed joke, or a willingness to lend a helping hand. He was also known for his amazing work ethic, taking great pride in his responsibilities and approaching everything he did with dedication, and perseverance.

Family was the heart of Ali's world. His love for them was evident in everything he did, and he took great pride in being a husband and father. He is survived by his beloved wife, Penny; his daughter, Amanda; his son, Isaac; and many dear family members both here and abroad. His presence was a source of comfort, strength, and laughter, and his absence leaves a profound void.

Though he is no longer with us, the love he gave and the memories he created will live on in the hearts of all who knew him.

He will be profoundly missed and lovingly remembered.

“ *Ali was always so much fun. Whether at a party, the lake, the beach, a holiday or family celebration. His presence brightened the entire experience. We will always laugh at the memory of him pushing our stalled boat, attempting to ride the stand up jet ski and the many water gun fights throughout the years. We are so grateful to have him, Penny, Amanda and Isaac as a part of our family. We love him and all of you. May you find comfort knowing he is so loved here on earth and with God where he is healed and has no suffering.*
